

International Scale Up

You've built a business that works – now it's time to take it global.

Join our International Scale Up Programme, designed for ambitious Greater Manchester businesses ready to expand internationally and unlock their full growth potential.

Applications
are open now!

In partnership with:

You've built a successful business. Now it's time to take it global and unlock your next stage of growth.

Our International Scale Up Programme supports fast-growing Greater Manchester businesses ready to expand internationally. Delivered by the Enhanced Trade Partnership, it brings together leading expertise from the GM Business Growth Hub, the Department for Business and Trade, the Greater Manchester Chamber of Commerce, and GMCA to help you scale with confidence.

Ali Nowroozi, Masumi Headwear:

The International Scale Up Programme is giving us the clarity and confidence to grow Masumi globally — helping us navigate new markets and accelerate our journey to becoming a recognised international brand.

Garry Paton, Content Chemistry:

Being part of the programme has opened up the connections and expertise we need to scale internationally — we're confident it will help expand our market reach with a clear, structured approach.
